

Tabernacle School Ignitia Help

<https://tabernacleca.ignitiaschools.com/>

Welcome to Ignitia, your student's online middle school curriculum.

To sign in as your student:

1. Go to our school-specific link: <https://tabernacleca.ignitiaschools.com/>
Please note, you must use this link. You cannot simply search for Ignitia in your browser. A link is also available on our school website under "Current Families."
2. Enter your student's username and password
Please note, both fields are case-sensitive.
*Email Mrs. Kukla at TheresaK@tbs.org to request a password reset if needed.

Upon first logging in, go to the "Help" tab at the top of the page (#1), then click "Intro. Video" (#2). This video will provide a quick walkthrough of where to find important parts of the program. Click the image to begin the video (#3).

Repeat Password

SAVE PASSWORD

We highly encourage you to have your student change their login password right away. To do so, navigate to the top right corner of the page and click on the small arrow next to your student's name. Your student will need to enter their current, default password then create a new password and click "Save Password."

It is recommended that parents keep this password written down somewhere for future reference if needed.

If ever your student forgets their password they will need to email Mrs. Kukla at TheresaK@tbs.org to request a password reset.

The "Learn" tab in the top right corner will take you to your student's Assignments and Courses.

"Assignments" (found to the left in the blue banner) provides a quick snapshot of what assignments, quizzes, and/or tests are upcoming for each subject. As each assignment is completed the next assignment will appear in this list.

Please note, **your student IS NOT PERMITTED to work ahead.** Any assignments that are completed ahead of time will be counted as a zero. Any tests/quizzes that are opened will receive an automatic zero. It is considered cheating for your student to even view the test/quiz before it is completed in class.

Please also note, the **dates listed throughout Ignitia are not correct.** The dates are defaults and do not accurately reflect the pace or assignment given in class. The correct dates and assignments are communicated to your student during class and posted on [FACTS](#) for quick reference at any time.

“Courses” (next to “Assignments” in the blue banner) allows a more detailed look at each class. This screen will show your student’s current score and progress as it relates to Ignitia.

!!! Please note, **this score may not match your student’s actual grade in FACTS**. All assignments are entered separately into FACTS and will account for any additional assignments completed during class.

!!! Reminder, **your student IS NOT PERMITTED to work ahead**.
Reminder, the **dates listed throughout Ignitia are not correct**. Refer to [FACTS](#) for correct dates.

Click on any course to see more details. From here you can check your child’s progress by unit (#1) and select any unit to see individual scores on each assignment, test, or quiz (#2). Students are not able to skip ahead to future lessons but this page will allow you to see a list of all assignments in order for each unit and allow your student to refer back to previous lessons.

!!! There is also a **glossary** available at the end of most units.
